RENTAL TERMS/BILLING

In collaboration with Bing's Cellos & Strings, the LJCDS Middle School instrumental music program offers a subsidy for stringed instruments for all 5th and 6th graders. The subsidy allots \$425 towards the cost of an instrument. Our instruments will also be delivered directly to the school. This allows for students to keep their instruments for the entire year at a significantly discounted price to the family.

Initial payment includes a one-time setup fee of \$30 for violins & violas, \$45 for cellos. This is to ensure that instruments arrive to students sanitized, touched up, and ready to play.

You will be charged up front for the entire amount of the instrument rental, and we will then provide a receipt to be turned in to the school for a \$425 reimbursement.

Pickup and delivery to school can be arranged at no extra cost according to customer's preference. Please contact us to arrange.
